MONARCH FEST 2020 POSTPONED

March 16, 2020

Dear Friends of Quinta Mazatlán,

In keeping with the best practices as outlined by the Center for Disease Control (CDC) in response to COVID-19 (Coronavirus), Quinta Mazatlán is postponing MONARCH FEST. We realize you have a variety of questions from ticket purchases to future dates and more. We are asking that all patrons hold onto their tickets as we work with our partners on next steps. As events reschedule, patrons will be notified with the new details as soon as we have them.

The health and safety of our fans, performers, employees, partners and our community are our highest concern. We remain in close contact with Hidalgo County Health and Human Services and other agencies and expect continued direction in the coming days and weeks.

We wish you and yours health, safety and peace of mind. Thank you for your understanding and support of Quinta Mazatlán.

Sincerely,

C Hook
